In Closing . . .

Dear Graduates,

I would like to take this opportunity to wish you the best of luck after your Graduation and tell you a little about the Horizon Yearbook. This past year as Editor has been a real educational experience, to say the least. I was given the task of creating a Yearbook within one semester. For those of you who are not familiar with the Horizon Yearbook, the members of the last year's staff (20 plus students) either graduated and or lost interest, leaving no one behind to carry on the fifty year tradition. As a result, this put the Horizon Yearbook on the verge of extinction.

There has also been a decline in people interested in the Horizon over the past few years. It was my goal to generate more interest by the students, so the Yearbook would continue after this year. I feel that although it has taken a little longer to create this year's Yearbook it will benefit future students of York College.

I have already started my search for individuals to take over the Yearbook so that it will be around for years to come. Finally, I want to thank everyone who purchased a Horizon Yearbook for their show of support and school spirit.

Sincerely,

Kevin Feil
2000 Yearbook Editor
